The Auxiliary Stone Garden offers a tranquil entrance to the Cardiopulmonary Rehab Department at Perry County Memorial Hospital. The beautiful landscaping of the Stone Garden provides the same welcoming feeling as do our inspirational volunteers at PCMH. You are invited to share this space by purchasing pavers with your personal message.

The pavers in the Stone Garden can be used in many different ways:

- ◇ Memorialize a loved one
- ◇ Celebrate a special occasion
- ◇ Recognize accomplishments

Pavers of varying sizes are available for sale, as well as, benches and garden areas that can be dedicated in honor of a special event or in memory of a loved one. So, the next time you need a unique gift, think of a memorial stone that will last well into the future.

If you would like more information or have questions concerning the Stone Garden, please call 573-768-3205.

Proceeds from these sales benefit PCMH Auxiliary projects - helping support PCMH and the people we serve. PCMH Auxiliary is a dedicated organization of men and women whose mission is to further the goals of Perry County Memorial Hospital.
